

PRIVACY POLICY

Our privacy policy covers:

- Website usage information – the details we collect on how you use our web site
- Personal information – the personal information we collect
- Cookies and other technologies – the technologies this site uses
- Security measures – how we keep your information secure

This privacy statement only covers the Catha's Seat website at <http://cathas-seat.org/> and does not cover links within this site to other websites.

By visiting this site you are accepting and consenting to the practices described in this Privacy Notice.

Website usage information

We collect website usage information to see movement through the site, in order to help us improve the usage and usability of the web site and to market our services.

The IP addresses of website visitors have been anonymised and are not stored within our Google analytics reporting information.

Personal information

The website does not collect or store any personal information, other than what is submitted in signing up for a newsletter or completing an online form.

Email newsletter sign ups

If you have subscribed to our email newsletters you will be sent (via email) regular news, updates and details of events relating to Catha's Seat. If you no longer want to hear from us you can unsubscribe at any time.

We use Mailchimp as our marketing automation platform. When you submit a newsletter subscription form the information you provide will be transferred to Mailchimp for processing in accordance with their privacy policy and terms.

Your information will be kept on our Mailchimp list. Should you wish to see this information or request that we permanently delete your record please email info@cathas-seat.org

Cookies and other technologies

Cookies – our site uses cookies from Google to allow us to track users movements from Google Analytics to help make sure the site is meeting the needs of its users and to help us make improvements. In continuing to use this website, you agree to have these cookies installed in your browser.

Google Analytics stores information about:

- the pages you visit on our site
- how long you spend on each page
- how you got to the site
- what you click on while you're visiting the site

Learn how to remove cookies from your computer or device.

If you have any questions regarding our privacy policy or use of cookies please contact us via the email address below:
